Hi Julie,

I was under the impression Larry Snyder [REDACTED] from UMass Physical Plant was handling the billing by an Interdepartmental Service Agreement. I thought he and Debbie Danforth had worked it out. Do you want me to contact him and find out what happened?

Thanks,

Jim

It was. I've copied Jim Hanchett, the Amherst lab supervisor on this message to see if he knows anything about an invoice.

Hi Julie

I was wondering if the Security System Upgrade was ever done for the Drug Lab in Amherst? I have not rec'd an invoice or anything on this. If you could pls let me know and date of upgrade if done I would appreciate it.

Thank You

Judy Ahern
